3.75 CLE Credits Pending from ISB

The Idaho Immigration Law Pro Bono Network is a group of private immigration lawyers, law students, law clerks, and organizations that have come together to address the need for no-cost representation in removal proceedings. Learn about raising Cancellation of Removal as a defense in removal proceedings in U.S. Immigration Court in Boise. Pledge to help and receive 3.75 free CLE credits (pending), otherwise the fee for the CLE is \$50. Angela Levesque, of Levesque Law, PLLC will present.

Cancellation of Removal under section 240A(b) of the Immigration and Nationality Act is a form of relief for undocumented individuals who find themselves in removal proceedings and who wish to remain in the United States. Obtaining Permanent Residence for individuals through Cancellation of Removal is extremely difficult, but not impossible. This program will educate participants on how to apply for Cancellation of Removal for Non Permanent Resident clients and will take participants through a Cancellation of Removal Case in immigration court.

This is offered free of charge for attorneys who have already signed up to take a case as part of an ongoing training for volunteers. Fee waiver for attorneys and accredited BIA representatives who commit to volunteer with the IIPBN. For all others, the registration fee is \$50.00. Training materials will be made available in electronic format. Paper copy of PowerPoint provided on site.
